2. Plea Negotiations/Anticipated Trial Defendants

As of this writing, Scott Myers has entered a guilty plea and is set for disposition on July 14, 2005). Daniel MacAuley has indicated an intention to change his plea and will request the preparation of a pre-plea Presentence Report. All other defendants remain on the trial list.

3. Speedy Trial Act Calculations

The parties have conferred on the periods excludable from all Speedy Trial Act calculations and agree that the following periods are excludable:

12/2/03 - 4/4/04	Order for exclusion entered 2/9/04
4/5 - 6/16/04	Order for exclusion entered 4/5/04
6/17 - 9/22/04	Order for exclusion entered 6/17/04
9/23 - 11/22/04	Order for exclusion entered 9/28/04

2/8/05-9/12/05: excluded by order of the Court (docket no. 228)

In a prior status report, filed on February 8, the government submitted that two additional time periods (11/22/04-12/29/04, 12/29/04-2/8/05) were also subject to exclusion; no ruling appears to have been made with respect to these blocks of time. The setting of a September 12 trial date should moot any concern as to these periods of time.

Respectfully submitted,
